- Thought them about the subjects

## SKILLS

Java C Golang Prolog SQL Assembly

HTML/CSS JavaScript

## EDUCATION

### Master of Science in Engineering's Degree in Computer Science

#### KTH Royal Institute of Technology

📅 2022 - 2027 📍 Stockholm, Sweden

### Bachelor's Degree in Computer Science

#### KTH Royal Institute of Technology

📅 2022 - 2025 📍 Stockholm, Sweden

## STRENGTHS

### Analytical Thinker

Analytical thinking involves breaking down problems, identifying patterns, and making informed decisions to solve challenges systematically.

### Working in Teams

Collaborating in teams involves leveraging diverse strengths, fostering effective communication, and synergizing individual contributions to achieve collective goals.

### Problem Solving

The problem-solving process involves defining a problem, identifying its root cause, and prioritizing and selecting potential solutions. Even when someone believes they have the optimal solution, there is always room for improvement by considering it from a different perspective.

## LANGUAGES

### Swedish

Native.

### English

Fluently speaks and writes in English. Around a C1 level.

## PASSIONS

### Projects

Actively develops my own software projects.

### Guitar

Enjoy playing the guitar and trying new genres.
